This was a test case, and the opinion of the suprime court in that case settled the statu-of all other cases of like character so far so the present liability for such trust funds in the hands of James A. Anderson as adminis trator is concerned. That opinion is as fol-

TAXING-DISTRICT SHELBY COUNTY, & May 18, 1880. For three weary years I have been the victim of Malaria, in all its forms, having used scores of such articles as Tonics, Ague Pills and Ague Pads, but never finding permanent relief. As a last resort gave your Clifford's Febrifuge a trial, and I out deem it due you to say that the first bottle has no only stopped the Chilis, but has thoroughly eradicated this dreadful disease from my system. I fee that your medicine has saved my life.

Yours, with gratitude, JAMES F. LOBDELL,
